From Consultancy to Execution

MESSAGE FROM CHAIRMAN

It is my great pleasure to introduce SEPL as one of the leading electro-mechanical contractors. It has attained a strong reputation in the field of electro-mechanical contracting with excellent commitment, sustained growth and stability, professional management with high quality of work, on time and within budget.

We constantly make genuine efforts and put merited performances to match the construction demand & remain in reckoning. Also, we thrive in an environment where collaboration, individual accounting and technical innovation are challenged every day demanding new scenario and lead us to glory and a position of pride.

Our team of workers and professionals are among the best in the field and they are totally committed to a safety environment. We are proud of our past and work hard at making tomorrow every better.

Vision

A world without fear is what we are creating.

Mission

To be a leader in Electro - Mechanical works in the global market

Values

We are customer centric, professionally driven, technology enabled & quality oriented company engaged in creating value for our customers by delivering reliable and superior services, ably supported by our team of talented professionals

Company Introduced

The Journey of triumph of secured began in 2011 in the name of secured electrical appliances and then founded in the year 2013 is Secured Engineers Pvt. Ltd. It is one of the premiere Engineering Solutions providers and project specialists. SEPL offers Engineering Solutions mainly to **Electro-Mechanical activities**.

SEPL has built up a substantial reputation and is actively engaged in turnkey projects in areas such as Electro-Mechanical works comprising Fire Fighting/Protection, Electrical including **LT/HT works and Security Systems**.

We are a Mechanical & Electrical lead Engineering **Contractors** and have worked on a number of significant projects like shopping complexes, Multi-storied Buildings, Places, Petroleum companies, Hotels and many industries etc.

"SEPL recognises that the key to running a successful business is understanding our clients needs and meeting their expectations."
